

# Maui Jim Sunglasses

Maui Jim sunglasses has the World's Most Memorable Gift Experience. This is where your casino would distribute a flyer, sending it to your high rollers, or whomever will be receiving glasses, stating the date & timeframe that Maui Jim would be at the casino. The high rollers would arrive, be fitted for their glasses, take the order then ship them one week later. A short 3 minute video link (left) shows exactly what Maui Jim does.

A Maui Jim representative will do the fittings on a designated day with a specific time frame (6 hours total) for everyone to choose their glasses. A form with what the person chose will be filled out. One order for all of the sunglasses will be placed then shipped directly to the casino.

They can invite the guests to come back to the casino to pick up their gift.
